

For Senior
Leaders and
Their Teams

Creating an Accountability Culture

Amp up your culture and improve results.

Most teams vastly under-perform because of their culture.

GOOD NEWS. The culture is within the team's control.

PROGRAM OUTCOMES

- » Receive valuable Executive Tool Kit with 7 culture game changers
- » Learn how to train your staff on tools
- » Jump-start culture alignment even when teams are constantly changing

PROGRAM HIGHLIGHTS

- » **Emmaus House Case Study:** How their 6 Month Coaching Intensive is still improving the culture a year later.
- » **How Teams Manage Conflict without the Leader:** Get the leader out of the middle. Strengthen teams to handle it themselves. Free up the leader to lead.
- » **Accountability Across Teams and Community Partners:** Learn the impact of asking powerful questions. What can I count on you for? What do I WISH I could count on you for?
- » **Mindfulness in the Workplace:** How do nonprofits use reflection and stillness practices to reduce stress and improve productivity.
